DR. MUNDE'S WATER-CURE, at Florence, Mass., three miles west from the Northampton R. R. Depot, is one of the largest and best-regulated establishments in New England. It is situated in one of the healthiest and pleasant mountain regions in New England, and is well supplied with the purest and coldest water in America. Prices for patients \$10 to \$12 per day, or boarders, \$5 to \$8 per week. Patients in severe circumstances, especially members of the army whose health has suffered from wounds or exposure, will have special allowances.
